**EXAMINER'S AMENDMENT**

**1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.**

**Authorization for this examiner's amendment was given in a telephone interview with Mr. Edward Grundler on March 4, 2005.**

**The application has been amended as follows:**

**Claim 23:**

A computer readable medium having stored thereon instructions which, when executed by one or more processors, cause the one or more processors to manage information retention in a system, comprising:

instructions causing one or more processors to receive a set of information into a system,

instructions causing one or more processors to associate one or more keys with said set of information;

instructions causing one or more processors to encrypt said set of information using said one or more keys;

instructions causing one or more processors to store said set of information in encrypted form into one or more repositories;

wherein only the encrypted form of the set of information is persistently stored within the information system and no unencrypted form of the set of information is persistently stored within the information system, and

instructions causing one or more processors to purge said set of information from the system so that said set of information is not available within the system by deleting said one or more keys, thereby making said set of information unrenderable.
